

Taking a Closer Look at Canada

Answer the following questions, after you have read page 194 and have taken a closer look at the photographs on pages 194 and 195. Brainstorm ideas with a partner to answer the questions.

1. What are economic decisions?
2. What does economic decision making mean for Canadians?
3. How does economic decision making affect the jobs available to you and your family?
4. Why might Canada's government own a company?
5. How might economic decision making and identity connect?
6. What things influence the price of products? (Example: Shipping costs affect the price.)
7. How are decisions made concerning what products to manufacture?
8. How do these decisions affect your quality of life?
